Getting started with WebCT Chat

To get into the chat room select the **Chat** Icon from the Course Homepage.
Select the appropriate chat session.

WebCT chat is pretty straightforward. Some of the **key features** are listed below.

Output Interaction Box — Users Logged On

Lilian Austin and G

Users currently logged into this chat

Type your message here. Press **ENTER** when you are ready to post.

You can send useful web addresses to others in the chat. It will open a new window on their screen, displaying the website. It is worth having another window open just in case.
